Physics posts: Summer 2024

There are two part time posts which can be combined into one full time role. We are interested in receiving applications for either or both posts – Please make it clear on your application which post(s) you wish to be considered for.

- **Senior Adviser: Physics (part time - 3 days per week)**
- **Radiation Protection Advice service manager (part time - 2 days per week)**

Note: Both roles are office based and **cannot be completed remotely.**

The application pack includes:

- Job specifications
- Person specification
- Application form
- G001 A guide to CLEAPSS services containing:
  - Details about CLEAPSS and its work.
  - A short description of the CLEAPSS RPA service
- A copy of the CLEAPSS strategic plan 2021 - 2025

We are looking for applicant(s) who have enthusiasm for and experience of teaching physics at both GCSE & Post 16 level. The successful applicant(s) will play a key role in shaping future developments CLEAPSS guidance and support for practical physics. This will include updating existing guidance as well as designing new resources to cover emerging areas of practical physics. There is a significant opportunity to develop and deliver exciting training for teachers and technicians.

Whilst the role includes producing H&S advice and guidance the emphasis at CLEAPSS is very much on good quality practical work to support learning. Training and support will available for the suitable candidate in the more technical aspects of H&S legislation such as radiation protection.

We are looking to appoint someone to start as soon as possible.

A relocation package up to £8,000 is available for the successful candidate(s)

Completed application forms should reach CLEAPSS by 5.00pm on Monday 13th May

Shortlisting will take place on Tuesday 14th May

Interviews will be held at CLEAPSS' offices in Chesham in the week beginning Monday 20th May.

If you wish to have an informal conversation about the role or about what CLEAPSS does please ring the Director, Steve Jones, or Deputy Director, Matt Endean, at CLEAPSS.

I look forward to hearing from you.

Yours sincerely,

Steve Jones
