CONSTITUTION 2019

As adopted by the CLEAPSS Governing Body 9th July 2019

1. Status

CLEAPSS is a consortium of local authorities. It is a not-for-profit body, where Hertfordshire County Council acts in trust on behalf of other local authority members, in particular as employer of staff and as leaseholder for the premises. In a similar way, West Sussex County Council acts in trust on behalf of other local authority members as the Treasurer.

The financial year shall run from 1 April to the following 31 March.

(b) Responsibilities of the Treasurer
The Treasurer shall be responsible, under the general direction of the Finance and General Purposes Committee, for:
1. supervising the arrangements for the receipt and issue of moneys payable to and by CLEAPSS;
2. supervising the keeping of all accounts and financial records of CLEAPSS;
3. the temporary investment of any cash balances not immediately required;
4. overseeing the financial systems relating to income and payments.

(c) Budget
1. The Treasurer shall, before the commencement of each financial year, submit to the Finance and General Purposes Committee estimates of the expenditure and income for that year and details of the contributions payable by constituent authorities.
2. Contributions shall be payable annually.
3. The contributions of constituent authorities shall be determined on the basis of maintained school populations aged 5 to 19 years at the dates prescribed for the annual school census in the preceding financial year, or estimated from the previous year’s figures if current figures are unavailable.
4. New member authorities admitted after the commencement of a financial year shall be required to contribute a fee calculated in proportion to the fees of existing members: from April to July this will be a full year’s fee, August to November 2/3rd of a year’s fee, thereafter 1/3rd of a year’s fee.

(d) Accounts
Estimates of income and expenditure for each financial year, accompanied by a balance sheet, shall be presented by the Treasurer to the Finance and General Purposes Committee. The final accounts for each financial year shall be presented by the Treasurer to the Governing Body of CLEAPSS.
(e) Bank Accounts

1. The Treasurer shall open and maintain a bank account in the name of the Consortium. All cheques drawn on that account shall be signed by the Treasurer.

2. The Treasurer may arrange for a subsidiary banking account to be opened, to be operated on an imprest basis, under his/her direction by the Finance Manager of CLEAPSS. All cheques drawn on the imprest account shall be signed by such authorised signatories as are approved by the Treasurer.

(f) Payment of Bills and other Claims

Payment of bills and other claims shall be made only on a certificate signed by the Director of CLEAPSS or other authorised signatory.

(g) Audit

The accounts and financial records shall be audited under arrangements made by the Treasurer and approved by the Finance and General Purposes Committee.

Auditors shall have access at all reasonable times to all documents and books of CLEAPSS.

(h) Withdrawal

Withdrawal by a local authority from CLEAPSS can take place only at the end of a financial year with minimum notice of one year. "Withdrawal" includes ceasing to pay the subscription centrally.

(i) Subscriptions

1. Those local authorities which have submitted returns of pupil numbers will be invoiced for their subscriptions not later than the end of May. Any local authorities which have not paid by the beginning of September will be deemed lapsed members and will not have voting rights at meetings of the Governing Body, etc, although at the Director’s discretion services may continue to be supplied, if s/he believes that there is a reasonable chance that the subscription will eventually be paid.

2. Associate members will generally be invoiced for their subscriptions early in the autumn term (except for maintained schools, where it will be the summer term). Those which have not paid by the 1st January (maintained schools by 1st September) will be deemed lapsed members. At the Director’s discretion services may continue to be supplied, if s/he believes that there is a reasonable chance that the subscription will eventually be paid.

3. Subscriptions shall be set in such a way that there is a clear financial advantage for all maintained schools to subscribe via their local authority.

(j) Radiation Protection Adviser Service.

1. Members which wish to avail themselves of the Radiation Protection Adviser service will be charged a supplement to their subscription.

2. The charge for the RPA service will be set at a level such that in the long run it makes a small net surplus.

3. Withdrawal from the RPA service can take place only at the end of the financial year, with a minimum notice of one year.

11. Dissolution

1. Notwithstanding its not-for-profit status, CLEAPSS shall accumulate reserves in order to be able to fund redundancy, termination of lease and similar payments and for future planned developments of the service. Sufficient reserves shall be maintained to cover redundancy, superannuation and related staff costs and at least one year’s rent or mortgage payments in the event that CLEAPSS ceased to function.

2. If CLEAPSS ceases to function, the member authorities of the consortium at the date of the passing of the resolution (together with those local authorities which ceased to be members in the period of 2 years ending with the date of the passing of the resolution) shall contribute towards any deficiency in the resources available to fund redundancy payments or other commitments which may arise,
including liabilities as employers in respect of superannuation arrangements or rent or mortgage payments. Liability shall be in the proportion which the subscription payable by that local authority in the year in which the resolution was passed (or, in the case of an authority which has ceased to be a member at the date of passing the resolution, the subscription payable during that member’s last year of membership) bears to the aggregate subscriptions paid.

3. If CLEAPSS ceases to function, any assets remaining after funding redundancy payments or other commitments which may arise, including liabilities as employers in respect of superannuation arrangements or rent or mortgage payments shall be distributed to the member authorities of the consortium at the date of the passing of the resolution (together with those local authorities which ceased to be members in the period of 2 years ending with the date of the passing of the resolution). Distribution of any surplus shall be in the proportion which the subscription payable by that local authority in the year in which the resolution was passed (or, in the case of an authority which has ceased to be a member at the date of passing the resolution, the subscription payable during that member’s last year of membership) bears to the aggregate subscriptions paid.

4. The provisions in paragraphs (2) and (3) of this section of the Constitution shall NOT apply where the dissolution of CLEAPSS is effected for purposes of reconstitution or merger.

5. In the event of a dispute between a member or former member authority and CLEAPSS as to the amount an authority should contribute or receive the matter shall be referred to arbitration.

6. The arbitration shall be conducted in accordance with the Arbitration Rules of the Chartered Institute of Arbitrators and the Arbitrator shall be asked to determine the extent to which an authority or authorities should contribute in the light of this Constitution and to determine the matter in accordance with what is fair in all the circumstances. The arbitrator shall be appointed by agreement of a majority of member authorities or in default of any such agreement by the President for the time being of the Law Society.

12. Appointment of a Custodian

The Governing Body authorises the Finance and General Purpose Committee to appoint and pay a custodian for any of CLEAPSS’s assets and related documents and records on any terms that it considers appropriate. The decision may be made at either the Annual General Meeting or at any Meeting of the Finance and General Purpose Committee. The Custodian shall be appointed by a vote which passes by a simple majority of those present at a quorate meeting.

13. Amendment of the Constitution

The Constitution may be amended at the Annual General Meeting of the Governing Body, or at an extraordinary meeting called for that purpose, by a proposal duly moved and seconded and carried by a majority of those appointed representatives present.
